DETAILED ACTION

Allowable Subject Matter

1. Claims 1-12,14-32 are allowed over the prior art of record.

2. The following is an examiner's statement of reasons for allowance:

As per independent claims 1,5,15,19,24,28, the claim limitations pertaining to the detailed process of finding a limited number of salient terms is not explicitly taught by the prior art of record.

The prior art of record (Baker et al (5680511)) teaches converting a speech document to text (col. 8 line 59 – col. 9 line 9), picking out unrecognized words (col. 9 lines 4-9); and displaying the choice words to be analyzed (col. 10, lines 27-30). However, Baker et al (5680511) does not explicitly teach the detailed process of finding a limited number of salient terms, as claimed in the independent claims above. Furthermore, it would not have been obvious to one of ordinary skill in the art of speech recognizers with user correctable selections to modify the teachings of the prior art of record to obtain the recited limitations of the independent claims as noted above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
